RE: FOIA Request #04-015

Dear Mr. Sanger:

This letter responds to your Freedom of Information Act (FOIA) request dated December 17, 2003 and designated as FOIA #04-015.

In your letter you requested copies of the following documents listed and referenced in BPA's New Large Single Load Policy, April 2001, pp. 13-16:

1. 1981 Section 5(g) Initial Contract Records and Environmental Report dated September 1981.
2. A letter from Peter T. Johnson (former BPA Administrator), to John B. Frey of Boise Cascade Corp. (Oct. 6, 1981).
3. Letter from Sydney D. Berwager to Wilbur L. Anderson of Vigilante Electric Cooperative, Inc. (July 13, 1992).
4. Initial NW Power Act Sales Contract, Final Environments Impact Statement (1992) (DOE/EIS-0131).

Enclosed in their entirety are all documents responding to items 2 – 4 of your original request.

Per your telephone conversation with my associate, Debra Smiley, on January 21, 2004, the documents that respond to item number 1 of your request consist of several thousand pages. In the interest of time and expense, you have agreed to review these documents in the BPA Library.

Ms. Smiley is presently attempting to secure arrangements with the Library for this review. Per your verbal agreement, she will be in touch with you regarding these arrangements.

If dissatisfied with this determination, you may make an appeal within thirty (30) days of receipt of this letter to Director, Office of Hearings and Appeals, Department of Energy, 1000 Independence Avenue SW, Washington, D.C. 20585. Both the envelope and the letter must be clearly marked "Freedom of Information Act Appeal".

In your original letter you agreed to pay fees to fulfill this request. You will be sent an invoice in the amount of \$42.64 under separate cover by our accounting department. If you have any questions regarding this response, you may contact me at 503-230-5110.

Sincerely,

A handwritten signature in cursive script, appearing to read "Annie Eissler".
